

Our growing range of recycled cotton totes and drawstrings

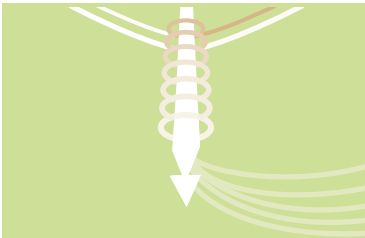

1 Factory offcuts from clothes and towels **collected**

2 **Sorted** by colour and cut smaller

3 Broken down **mechanically** into fibres

4 Fibres **spun** into yarn with **added rPET**

5 Bag is made and checked for **quality**

6 At end of life, **recycle** with old clothes

Recycling cotton mitigates waste and reduces the need to harvest raw cotton
